## Alabama Sold For Salvage

The sale of the S.S. Alabama, which has lain idle at the local docks of the Chicago, Duluth and Georgian Bay Transit Co. for many years, was in the final stages of negotiations today.

Announcement of the impending sale to Ted Brink of Saugatuck was confirmed today by Joe Powell, treasurer of the Georgian Bay Line, in Detroit. No sale price was disclosed.

Plans call for scrapping the once-proud luxury ship, 272 feet long, which was built in Manitowoc, Wis., in 1910. For 33 years, the ship carried hundreds of thousands of vacationers around the Great Lakes.

Brinks plans to pull the ship off its sandbar at the year-round docks at Montello Park and tow the ship to Brewer City Coal Dock for dismantling. It was hoped the

work would be completed this fall.

Since World War II days, the ship in progressive forms of deterioration has been ignobly tied to a tree with a heavy chain. Through the years, there were several "almost" sales, usually associated with scrapping, but the ship remained resting on the beach at Holland.

Earlier in her enforced idleness, some of the Alabama's handsome furnishings and appointments were removed for use in her sister ships, the larger S.S. South America, the flag ship of the Georgian Bay Line, and the S.S. North America, just slightly smaller than the flagship.

Through the years, the three ships have been popular attractions for photographers, but the Alabama's scarred exterior soon set her off from the other two ships.

## Supervisors End Session Very Quickly

Board Cuts Sheriff's  
Typewriter Request  
From Ten to Five

GRAND HAVEN — The Ottawa County Board of Supervisors adjourned its October session Tuesday afternoon. Since the 1961 budget of \$1,126,347.57 and a millage rate of 3.91 mills had been adopted last week, Tuesday's concluding session resolved a few routine matters.

Supervisors lopped off five typewriters from the proposed list of furnishings for the new county jail which is expected to be ready Jan. 1, leaving five new typewriters in the list of furnishings. The committee added \$250 for window dressing on the west side since the original list had not included shades or their equivalent. Total estimate finally approved by supervisors was \$14,674 instead of the original \$15,752.50. The typewriter deletion amounted to about \$1,400. All furnishings are to be purchased on bids.

There was further discussion on the need of a capias room in the jail, described as quarters for persons held for such non-criminal offenses as debt cases. Supervisor Richard Cook of the sheriff's committee said there have been only two occasions in the last 25 years when persons were held in Ottawa jail while plaintiffs paid their bond.

Supervisor Larry Wade of Holland suggested an increase in dog licenses to provide the necessary funds for proper dog policing, but Henry Slaughter said the law provides only for such fees as will pay livestock claims. The subject was referred to the prosecutor for report at the January session.

Dr. D. C. Bloemendaal of Zeeland asked why the West Ottawa school district was bypassed in representation on the County Juvenile Home committee. Committee Chairman James E. Townsend said there was no intention to slight any group and if the school will recommend an appointee, the committee will be happy to add another member. Board Chairman Robert Murray said the board has no intention of slighting anybody, but said the committee should not be too big or it can become unruly.

The board approved a board payroll of \$3,149.20 and adjourned subject to the call of the chair.

## Three Plead Not Guilty

GRAND HAVEN — Three traveling musicians, charged with carrying concealed weapons after they were stopped for speeding at 3 a.m. Saturday on Beacon Blvd., pleaded not guilty in Circuit Court Monday and provided \$1000 bond each. No trial date was set.

Charged were V. S. Freeman, Jr., 26, Houston, Tex.; Theodore Vincent Curry, 34, Cleveland, Ohio, and Millard Lee 51, Orlando, Fla. Freeman, driver of the 1960 car in which the three were riding, paid \$10 fine and \$4.30 costs in Justice Lawrence De Witt's court Saturday for driving without a license. All three waived examination.

State police found and confiscated a revolver, a gas gun, an oversized pocket knife with a 10 1/2-inch blade, 51 rounds of 38 caliber ammunition and eight 22 caliber gas shells. The men were carrying \$3,569.

Lee first pleaded guilty but changed his plea after consulting a local attorney for the three men.

**SALUTE FOR WENDELL MILES** — Wendell A. Miles of Holland, Republican candidate for attorney general (standing second from right) is shown here with his parents and others in connection with the Wendell Miles Appreciation dinner Wednesday night in Phelps Hall on Hope campus. Seated are Miles' parents,

former Circuit Judge and Mrs. Fred T. Miles. Standing, left to right, are George Van Peursem, master of ceremonies; Paul Bagwell, Republican candidate for governor, Miles and Mayor Robert Visscher. General chairman for the salute was Jack Plewes. (Sentinel photo)

## Miles Testimonial Raises \$1,000 for His Campaign

In true Dutch frugality, local friends of Wendell A. Miles ate pea soup, sauciezbroodjes and apple pie Wednesday night in a salute to the local man who is Republican candidate for attorney general in the Nov. 8 election.

And in eating the simple Dutch fare, the local group raised in excess of \$1,000 for Miles' campaign, a tour which has crisscrossed Michigan many times to build the Republican vote.

"A Miles has never yet lost an election," Paul Bagwell, candidate for governor, told the local crowd which numbered over 250 in Phelps Hall on Hope campus. "We're glad to have him on our team."

The gubernatorial candidate spoke glowingly on Republican chances in Michigan in the 1960 campaign but pointed to difficulties in getting facts to all people when organized labor controls the opposition. "I grew up in a union home and my father worked with his hands until the day he retired. He wanted something more for his four children and we went to college," Bagwell said.

In the midst of his talk, the alarm in Bagwell's wristwatch went off. The watch was a gift of the press corps traveling with Bagwell on his campaign tour and was designed to keep him on schedule. After a blast on the "plunk-er" or "bullet" vote in which 67,000 Detroit voters cast ballots only for Bagwell's opposition in the August primaries, and another blast at the Democratic program which spent \$12,000 getting persons registered at 40 cents apiece, Bagwell signed off 10 minutes after the alarm sounded. He left early in order to join the Nixon train in today's Michigan visit.

Miles said he thought he learned a lot going to school, as a serviceman overseas, as a county prosecutor, as a U.S. district attorney, and as a member of the Board of Education, but political campaigning on the state level has added a whole new chapter.

"Unfortunately, a double standard is at work for the opposition. Former President Truman can use profanity in talking about Republicans, but if we say there is anything wrong with Michigan, our governor rushes back to this state and tells us we are downgrading Michigan."

"As for our wanting prestige overseas, I asked my wife to write her family in France and they wrote back they still love America. Then she wrote her brother who is in Africa, and he wrote

back they still love America (Africa has 12 new nations and they may be a bit cocky after that American financial aid, but they still love America). And last year my wife visited every country in Europe, and found the same thing. Only in America do we hear criticism of America," Miles said.

Miles pointed to the need of electing the whole Republican team if Michigan is to recover from her financial difficulties and provide the climate for more jobs.

Miles was presented with a pair of wooden shoes by Mrs. Bruce M. Raymond, vice chairman of the Ottawa County Republican committee. Mrs. Raymond, Scotch descent found herself in the unique position of presenting Dutch shoes to an Englishman with a French wife.

Bagwell was introduced by Lawrence Lindemer, chairman of the Republican State Central committee, who said Bagwell's entrance into politics provided the Republican party with a new face, a new voice and new determination which has revitalized the party in Michigan.

George Van Peursem of Zeeland, former speaker of the Michigan House of Representatives, served as master of ceremonies. The invocation was given by the Rev. John O. Hagans of First Methodist Church.

They would be spaced at 31 foot centers, and extending approximately 40 feet riverward from an existing concrete bulkhead in the Kalamazoo River offshore property, right bank, located between Mason St. extended and the Village of Saugatuck Park.

Any interested party having objections to the proposed operations, based upon reasons affecting navigation, should file written protest to the Corps of Engineers, stating the reasons pertaining to navigation not later than 4:30 p.m. on Nov. 25, 1960.

## Allegan Sets Chest Drive

ALLEGAN — Sixty-one workers attended the kickoff luncheon for the Allegan United Community Chest Campaign held at noon on Monday at the Allegan Elks Lodge.

The chest budget of \$16,201 was reviewed. This is made up of the following appropriations: Allegan Community Council \$4,500; Boy Scouts—Grand Valley Council \$4,000; Allegan Retarded Children's School \$3,000; Michigan United Fund \$2,351; Kalamazoo Child Guidance Clinic \$500; Salvation Army \$400; Girl Scouts \$350; Welfare Fund \$300; and campaign expense \$300.

The use of campaign tools and methods of solicitation were also covered in the meeting. The "fair share slide rule" was shown. Each worker will have one of these as a guide as to what is meant by fair share giving. It was pointed out to the workers that while this is the highest goal in the history of this chest it can easily be achieved by everyone contributing their fair share.

Enthusiasm ran high among the workers as they left the meeting to do a good job and do it right away. Report meetings will be held on October 31 and November 4. It is planned that the goal will have been reached by November 4 meeting.

Importances of everyone giving since everyone benefits was also stressed with the announcement that a 100 per cent poster will be given to every business and industry where everyone contributes. In closing it was announced that pre-campaign solicitation in advanced gifts gave the campaign a start with \$6,675 raised which is 42 per cent of the goal. With this basis success can be achieved by everyone's like support.

## Panel Set For Poultry Day Festival

Michigan's \$39,000,000 poultry industry will be put under the microscope at an afternoon panel discussion on the opening day of the fourth annual Michigan Poultry Days festival at Holland Civic Center, Nov. 1 and 2.

Panel members will seek to outline new ways of increasing egg and poultry consumption in order to bolster this important segment of Michigan's economy.

Adverse market prices in recent years emphasize the need for new methods of processing, marketing and packaging, said members of the West Michigan Poultry Committee which is sponsoring the festival.

Panel members will discuss new poultry products, new ways of preparing poultry for the table, new packaging, and new production plans and facilities under the general topic "Problems Facing The Poultry Industry For Survival in Michigan."

These problems affect Ottawa and Allegan counties in particular, since they rate first and second in poultry production statewide. Panel members will be Dr. Howard Zindel, Dr. William Warden, Dr. Merle Esmay and Dr. C. C. Ellis, all of Michigan State University, and Dr. E. S. Weisner, assistant state veterinarian with the Michigan Department of Agriculture.

Business sessions both Tuesday and Wednesday will bring together Michigan poultrymen for conferences on flock management, disease control, marketing, housing, and other matters, including egg quality control. Staff members of the Poultry Science Department at Michigan State University will participate in these programs.

Among the special events scheduled for poultrymen Wednesday afternoon are a tour to poultry farms and processing plants in the Holland area, and a demonstration of poultry products prepared in new forms.

The public is invited to visit the exhibits and shows at the two-day event. The turkey show will be held Tuesday, and the egg show Wednesday. All exhibits will also be open Tuesday evening from 7 to 9.

## Fire Damages Car, Garage Wednesday

Fire shortly before 7 p.m. Wednesday caused an estimated \$1,700 damage to a car and garage at the home of Mrs. Alyda Tien of 668 Central Ave.

According to Holland firemen, the blaze was believed to have started in the car. The 1951 model car was completely gutted by the blaze, and the garage was charred inside, firemen said.

Printing equipment stored inside the garage suffered some damage. Firemen did not estimate damage to the equipment which was owned by Mrs. Tien's son Roland.

Firemen said the car and garage were covered by insurance, but that the printing equipment was not covered.

## Woman Hospitalized After 2-Car Intersection Crash

Miss Jean Lewis, 37, of route 1, West Olive, was to be x-rayed today at Holland Hospital to determine the extent of injuries suffered in a two-car crash at 4:45 p.m. Wednesday at the intersection of River and Pine Aves. Hospital officials said Miss Lewis spent a fairly good night.

Miss Lewis was a passenger in a car driven by 58-year-old Frank T. Owen of West Olive, according to Holland police. The Owen car collided with a car driven by James E. Ecker, 36, of Six Lakes, Mich., police said.

## Hope Church Will Build New Educational Building

Hope Church, 77 West Eleventh Street, will inaugurate a \$300,000 campaign next month to finance construction of a new educational building and administrative offices, it was announced today by the pastor, the Rev. William C. Hillegonds.

He said the campaign organization now being formed will obtain subscriptions from members of the congregation and other friends of the church to pay for the improvements. The special fund-raising program will be in effect through mid-December, he added.

"Our present Church School and administrative facilities are woefully inadequate to serve our current and future needs," Rev. Hillegonds said. "The expansion program has been approved by the Consistory and by the Congregation. We have recognized and accepted our responsibility under God to maintain an adequate Church and Church School in which can be preached and taught the gospel of Christ."

Two former dwellings east and west of the church, previously acquired, have been converted to Church School use to augment space also used for this purpose in the Fellowship Hall basement and in the two-story, northwest addition built in 1947, the pastor explained. "We also have outgrown these facilities so that further expansion

Additional reports, totaling \$30,397 at this morning's United Fund-Red Cross report meeting swelled the amount raised to date to \$81,683; or 86.7 per cent of the \$94,189 goal.

Highlights of the meeting included a report by Charles W. Fauquier, chairman of the construction division, reporting \$2,006 on a quota of \$2,000; giving the construction division the honor of being the first division of the campaign to "go over the top."

Another highlight was a report by Myles E. Runk, major, section 5, schools indicating that \$3,108 on a quota of \$2,275 has been pledged thus far by the teachers in all of the grade and high schools in the Greater Holland area. This represents 136 per cent of quota with some additional amounts still to be reported, Runk said.

A third highlight by John W. Fonger, major, section 4, city employees, indicated a total of \$1,776 pledged on a quota of \$1,770. Fonger said additional gifts will be forthcoming.

Of the total reported in the construction division, Gary Visscher, major, section 1, with a quota of \$1050 reported \$1,196 or 146 over quota. Jack Leenhouts, major, section 2, with a quota of \$950 reported \$810. Additional amounts are expected in both sections, Fauquier said.

James E. Townsend, campaign chairman, said "We have heard some splendid reports from all areas of the campaign at this morning's meeting, which indicate that the citizens of Holland area are again responding in their customary generous manner in meeting the health and welfare needs of the community."

Townsend also had high praise for the 500 volunteers in the residential division who turned in \$5,121 following the first three days of the home canvass. Mrs. Joseph W. Lang, Sr., residential division chairman, said that there are a few areas still to be heard from, which it is expected will increase the total to over the \$6,000 quota.

It was decided to hold the final campaign report meeting one week from today, Nov. 3rd. It was felt that with a special effort by all volunteers it may be possible to announce a campaign victory at next Thursday's meeting.

Divisions, amounts reported and division quotas are: Commercial, Clarence Klaasen, \$8,680.65 and \$13,000; Retail, Lewis C. Hartzell, \$4,702.80 and \$6,500; Construction, Charles Fauquier, \$2,006 and \$2,000; Professional, Robert B. Wolbrink, \$2,425.50 and \$3,000; Public-Civic, Vern Schipper, \$5,977.94 and \$6,000; Industrial and Employees, Leonard O. Zick, \$52,767.86 and \$57,689; Residential, Mrs. Joseph W. Lang, Sr., \$5,121.97 and \$6,000.

Holland firemen were called to 26 East 27th St. at 6:15 a.m. Tuesday to put out a rubbish fire in the basement of a house being demolished. Neighbors complained of smoke, firemen said. The fire had apparently been set by workers Monday night and had smoldered all night, according to firemen.

**SOLD FOR SCRAP** — The S.S. Alabama will soon fall to the cutting torches following confirmation of the vessel's sale today to Ted

Brink of Saugatuck. The vessel has been tied up at its 16th St. dock since World War II.

# Fennville Wins 3rd Al-Van Title

GOBLES (Special) — Fennville High's football team won its third straight Al-Van League championship here Friday night with a strong 19-0 victory over Gobles.

It was the 22nd straight win for the Blackhawks, their 15th straight in league play and their fourth straight league victory this season. Fennville hosts Lawrence next week in the final Al-Van League game and Lawrence has lost one league game and tied one.

The Blackhawks had trouble with fumbles in the early portion of the game and two drives were stopped because of fumbles. Fennville got the ball on its own 45 late in the first quarter and in three plays the Blackhawks were home.

Fullback John Damanskas ran 200 yards off tackle for the touchdown. A bad pass from center prevented the extra point and Fennville led 6-0 at the quarter.

Early in the second period, Fennville drove to the one-yard line and fumbled and then the next time they got the ball they again drove to the Gobles one but lost the ball on downs and the half ended 6-0.

Again in the third quarter, the Blackhawks got inside the 20 and lost the ball on a fumble. They were stopped one other time deep in Gobles territory on a penalty. Fennville scored at the end of the third period on a 25-yard run but the play was called back because of a penalty.

But things went Fennville's way in the fourth quarter and two touchdowns were scored. Laddie Mesyar slashed off tackle for 22 yards for a touchdown and the extra point try from Ted Strnad to Charles Kwiatkowski was not good.

With about four minutes to go in the game and the ball on the Fennville 35, the Blackhawks drove down to the Gobles 10 where Mesyar scored. But the play was called back because of a 15-yard penalty. With the ball on the 25, Strnad then bootlegged the distance to score. Damanskas converted.

Coach Sam Morehead said Fennville's hard charging line was the difference in the game, along with the Blackhawks' fine defense. Gobles rushed into Fennville territory only once and one other time they recovered a fumble on the Fennville 35 but didn't threaten either time.

Keith De Zwaan looked strong for the winners in the line while Doug Billings and Jim Luna were tops as defensive ends. Bruce Stevenson continued to impress on defense along with Bill Baty and Ted Shields in the middle. Fennville gained about 250 yards while holding Gobles to less than 75, Morehead said.

## Hudsonville Drops 7-0 League Tilt

HUDSONVILLE (Special) — Hudsonville's football homecoming was spoiled here Friday night as the Eagles dropped a hard-fought, well-played 7-0 decision to Kelloggsville before 1,500 fans at the Hudsonville Athletic Field.

The victory put Kelloggsville into the Ottawa-Kent League lead with a 4-0 mark while the Eagles are 3-1. Hudsonville is 4-2 overall.

The lone touchdown in the game was scored with four minutes to go when Palmatore caught a 12-yard pass. Edwards dived over for the extra point.

A pass interference gave Kelloggsville the ball on the Hudsonville 25 and this was followed by a penalty halfway to the goal line, putting the ball on the 12. The pass was the next play.

Hudsonville took the initial kickoff and held the ball for the first eight minutes, driving to the Kelloggsville 12-yard line where the Eagles lost the ball on downs.

After that the Eagles couldn't get a sustained drive going but halfback Larry Boldt and fullback Don McCow did a good job of running the ends.

Coach Dave Kempker thought the Hudsonville defense was strong throughout and Rog Abel and sophomore Jim Walma stood out on defense. Kempker said the contest was a "real good game with hard blocking and tackling and had all the marks of a championship game."

## Man Sentenced On Check Count

GRAND HAVEN (Special) — Joseph J. Burgess, 39, Sparta, who was brought here Thursday from Southern Michigan Prison where he is serving 2 to 14 years on charges of insufficient funds and forgery, pleaded guilty in Circuit Court Friday to a charge of issuing a check with insufficient funds. He was immediately sentenced to serve 15 months to two years, the sentence to run concurrently with his present term. Last July 20 he was sentenced out of Kent County.

The current offense involves an \$83.95 check which was cashed about a year ago at Vans in Holland. He stood mute and a plea of not guilty was entered when he was arraigned in Circuit Court June 24. He failed to appear later. Enforcement officials learned Wednesday that Burgess was in Southern Michigan prison and immediately prepared a writ of habeas corpus for his appearance here.

## Dutch Take First LMAC Championship

MUSKEGON (Special) — Holland High's cross-country team copped the Lake Michigan Athletic Conference cross-country meet here Thursday over the two-mile Muskegon Country Club course for the first LMAC championship ever won by a Holland team.

The Dutch harriers, coached by Bill Noyd, recorded 45 points in the meet. Muskegon was second with 54 while Grand Haven and Traverse City tied with 77 each. Benton Harbor finished with 98 and Muskegon Heights had 159.

Al Hoffman of Holland finished fourth and was the first Dutch runner home. He covered the course in 10:48 and was followed in seventh place by Dan Wightman who turned in a 10:56 performance.

Chuck Shuck was the next Holland runner home, taking ninth place in 11:04. Carl Stael was 11th in 11:11 and Doug Hartgering took 12th in 11:12. All of these runners are seniors and accounted for the Holland points.

Each team entered seven runners and 42 competed in the race. Ed Millard was Holland's sixth runner and finished 18th in the race in 11:19 while Ned Gonzales was Holland's seventh harrier and he took 22nd in 11:28.

All of the Holland contestants ran barefooted in the meet. They were the only group competing barefooted. Holland has run barefooted all season.

Noyd said the boys didn't get good fits in track shoes and the shoes didn't feel comfortable, so they decided before the first meet this season to run barefooted.

Holland, which has a dual record of 7-1-1, finished the dual meets next Tuesday at Muskegon Heights. The Dutch are expected to wear shoes in the meet, Noyd said, because of the increasingly cold weather. Holland will compete in the Class A regionals at Grand Rapids Indian Hills Country club on Saturday, Oct. 29.

Paul Stusel of Traverse City was the individual meet winner Thursday and covered the course in 10:34 while Dave Merwin of Grand Haven, last year's winner, finished second.

It marked the first time in history that Holland has defeated Muskegon in cross-country. In the first meet of the season, the two teams tied 28-28 in Holland and Muskegon took the second meet, 27-29 in Muskegon.

Holland had its five runners home before Muskegon's fourth runner had completed the course. The Dutch will receive the league trophy at the Nov. 14 meeting of the LMAC in Muskegon Heights.

The Dutch finished second in the league cross-country meet in 1959, the first official LMAC event. Muskegon took the meet and Grand Haven and Benton Harbor were the other contestants. This is the first year that all six schools entered the event.

## Asks Release Be Set Aside

GRAND HAVEN (Special) — Ivan S. Wickham of Grand Haven Township has filed suit in Ottawa Circuit Court against Clayton B. Near and the State Farm Mutual Automobile Insurance Co. asking that a settlement be set aside.

The suit is the result of a crash of cars driven by Wickham and Near Feb. 5, 1959, on US-31 in Fruitland Township, Muskegon County. At that time plaintiff thought he suffered only minor personal injuries and negotiated with a company adjuster for settlement of property damage to his car listed at \$800 plus \$10 towing charge, and executed a release for \$850.

Later Wickham, an automobile salesman, was hospitalized for a week and he suffered an attack of blurring vision and loss of consciousness, along with severe pains in his left shoulder, left arm and chest.

## Engaged

Miss Joyce Disselkoen  
ZEELAND — The engagement of Miss Joyce Disselkoen, daughter of Mrs. Simon Disselkoen, 136 South State St. and the late Mr. Disselkoen, to Jay R. Dykstra, son of Mr. and Mrs. Henry R. Dykstra of 81 West 21st St., Holland, is announced by Mrs. Disselkoen.

HOLLAND'S THIRD TOUCHDOWN — Chuck Klomparsen (13), Holland High halfback, races into the end zone early in the third quarter Friday night with Holland's third touchdown which put the Dutch ahead, 18-7 at the time. Holland went on to win, 25-20 as Klomparsen scored on

an 18-yard screen pass from Rog Buurma. Rich Herndon is diving for Klomparsen while other St. Joseph players are Stan Bissey (18) and Bob Winters (17). Gary Smith of Holland is 25 while an unidentified Holland player applies a block on Winters. (Sentinel photo)

## Dutch Take 25-20 Win; 4th Victory

Starving off a late-game two-touchdown bid by St. Joseph, Holland High's football team notched its fourth win in six starts here Friday night with a 25-20 decision over the Bears before 2,800 fans in Riverview Park.

The Bears, trailing 25-7 with 7:11 left in the game, gave the Dutchmen an awful scare as they produced two touchdowns in the final six minutes on a blocked punt and a pass and lateral play. St. Joe had the ball only three plays in the fourth quarter.

Holland got the ball with 1:23 left in the game and managed to keep it the rest of the game, preventing the Bears from pulling the contest out. The Dutch found its running game effective and ran for two first downs and advanced to the Bear 41 when time ran out.

Tom Fette, St. Joseph end, blocked Rog Buurma's punt and Bob Winters gobbled up the ball on the Dutch 14 and ran for the touchdown. He converted with 3:45 left.

Holland took the kickoff and failed to gain and the Bears took the punt to midfield. On the first play, quarterback Stan Bissey passed to Fette on the Holland 37. Fette lateraled to Rich Herndon and the shift left halfback went all the way.

Winters, on a high pass from center, tried to drop kick the extra point and missed to make the final score 25-20.

Holland scored what proved to be the winning touchdown on a fourth-down 18-yard screen pass from Buurma to Chuck Klomparsen. With the Bear defense spread for the long pass, Buurma hit Klomparsen on the screen and Klomparsen raced around the end for the score with 7:11 to play. Russ Kleinheksel converted.

The final Holland tally came three plays after their first 15-yard penalty of the game had put the Dutch on the 16. Buurma hit Smith on a fine pass which Smith leaped like an outfielder to snag and fell on the one-foot line. The penalty, followed by two incomplete passes and a fumble, put the ball on the 18.

The touchdown was setup when Ben Farabee pounced on Winters dropped try for a Holland punt on the Dutch 38. Holland completed the drive in 11 plays.

John Stam was Johnny on the recovery spot on the first play from scrimmage in the third quarter and set up Holland's third touchdown. He snatched the ball on the Bear 22 when Herndon fumbled.

Three plays later Klomparsen pranced through a big hole in the tackle 11 yards to score with 3:08 gone in the quarter. Buurma was downed on his extra point try.

Dick Dahring, a 224-pound senior tackle, fell on a Holland fumble midway in the third period and sticking to the ground the Bears drove to the Dutch one-yard line where they failed to make a first down and Holland took over.

After a scoreless first quarter which saw Holland advance to the St. Joseph two-yard line and lose the ball on downs, the Dutch scored on the first play of the second quarter. Gary Smith ended a five-play drive with a five-yard cross-buck off tackle with five seconds gone in the second period.

St. Joe failed to gain and kicked to the Bear 33. Buurma then hit Smith, who got one step behind the defender with a 28-yard pass to the five and Smith was rewarded for his efforts four plays later. Smith's kick, which followed a high pass from center, was blocked.

The Bears took the kickoff back to the 35 and drove 65 yards in nine plays with Bob Totzke going the final yard with 7:30 left in the second quarter. Winters, kicking for the first time this season, put St. Joe ahead, 7-6.

But Holland came back to take a 12-7 halftime lead. The Dutch returned the kickoff to the 31 and pounded 69 yards in 12 plays for the go-ahead tally. After hitting on crossbucks off the tackle and line smashes down to the Bear two yard line by Klomparsen, Smith and Bob Maglitz, Holland was called twice for illegal procedure, its first two penalties of the game, and with the ball on the 12. Buurma struck end Farabee in the corner of the end zone. Smith's kick hit the goal post and

## Chix Grab 6th Straight; Win 32-12

ZEELAND (Special) — Scoring in every period, Zeeland High's football team whipped West Ottawa, 32-12 here Friday night for its sixth straight before 1,500 fans at the Zeeland Athletic Field.

The setback was West Ottawa's fourth against one victory this season. It was the first game between the two schools in a rivalry that is expected to grow annually as the teams enter the Grand Valley League together next season.

Zeeland struck on a nine-yard pass play from Rich Miyamoto to Roger Kroodma in the first quarter after a drive and Kroodma kicked the extra point.

West Ottawa scored its first touchdown in the second quarter when halfback Bruce Johns hauled in a 28-yard pass from quarterback Bill De Graaf. Ed Terpstra's run for the extra point was stopped and the Panthers trailed, 7-6.

John Van Kley scored the first of his two touchdowns later in the period when Miyamoto hit Van Kley with a 25-yard aerial. Kroodma missed the extra point to give Zeeland a 13-6 halftime lead.

Van Kley raced 55 yards off tackle in the third quarter for the third Chix tally. Kroodma converted and Zeeland was out in front, 20-6.

Zeeland concluded its scoring in the fourth quarter with two touchdowns. Dick Welch ran five yards around right to climax a drive and Bob Schrottenboer missed the extra point.

Coach Jarold Groters put his regulars into the game with four minutes remaining and West Ottawa promptly scored a touchdown. With three minutes left, De Graaf threw a screen pass that bounced off a defender's helmet and into Marinus Donze's arms. He ran three yards to score. The extra point try by Terpstra was missed.

The Chix came back and drove down the field with Ron Glass going the final 20 yards around end. Kroodma kicked the extra point. Zeeland's first string played six plays on offense.

West Ottawa's most effective weapon in the game was a screen pass. They tried a total of 20 passes in the game and hit on seven.

Groters was satisfied with his second unit's play on offense and defense and lauded the running of Van Kley, Welch, Gary Lamer and the passing of Miyamoto, although it was not too accurate.

The Zeeland second unit was all juniors and sophomores, except for two spots. Groters said. He complimented Welch's work on knocking down passes and Tom Curnick looked strong as a middle linebacker and John Lutke as a defensive end. Both boys made 14 tackles. He felt the downfield blocking was lacking.

Van Kley led Zeeland with 87 yards in eight tries while Lamer had 38 yards in eight carries and Welch 34 yards in seven attempts. George Donze paced the Panthers with 50 yards in eight carries.

Zeeland plays unbeaten Fremont in Fremont next Friday night in one of the top Class B games in Michigan. West Ottawa concludes its season Nov. 4 at Fennville.

A large R and D were formed and the band played "California, Here I Come" and "Happy Days are Here Again."

The candidates stood on soapboxes as political speeches were read over the public address system and the band formed a question mark. This was followed by the playing of "Auld Acquaintance" for Nixon and "Hot Time in the

Old Town Tonight" for Kennedy. Showing the persons of Holland how to cast ballots, the band formed a square with a cross in it and played "Your Land and My Land." This was climaxed with a large U. S. and the playing and singing of "America the Beautiful."

**UNITED FUND**  
We have been reading the papers from over the country about the progress and we find that in many areas the quotas have not been reached.

We think that more and more projects that seem to be necessary are taking more and more of the dollars that are set aside for these many worthwhile projects. Many of these goals are not excessive when you measure the need.

There are however only so many dollars for each fund. We, here in Holland, have reached the \$4.4 per cent point of the goal of \$94,189. If you have not made your donation will you please arrange to have it ready when the worker calls. If you are not going to be home can you arrange to bring it to the Civic Center or mail it?

There are hundreds of people working on the United Fund drive and they would like to be able to bring the drive to a close with the goal reached. We, here in Holland, have always been able to take care of most of our problems. The United Fund reaching the goal would enable all of the organizations to continue their good work.

## Sunday School Lesson

Our Response to God  
Psalm 1; Romans 12:1, 2  
By C. P. Dame

We do not know who wrote Psalm 1, which suggests the contents of the whole book of Psalms. In Psalm 1, two kinds of men are portrayed and two ways are described. We all walk either upon the one way or upon the other. As we study this lesson let us pay special attention to the contrasts stated in it.

I. The godly man is a blessed person. There are some things a godly man does not do—he does not walk in the counsel of the ungodly, nor does he stand in the way of sinners or sit in the seat of the scornful. Notice the downward tendency of the godless. The person who begins to fellowship with the wicked at first walks with them, next he associates with the man ends up by taking counsel with them.

We all have to associate at times with the godless but it makes a difference whether we do this because of choice or conditions. The godly man will not by choice seek the fellowship of the godless man who has banished God from his creed and life. And the man who has no place for God usually gives not much of a place to conscience, accountability and duty.

The three words, counsel, way and seat, also speak of deterioration. It is always sad to see a life go down-grade. Life offers much proof of the fact that we are all more or less influenced by our environment and companions. How important it is for young people and young couples to avoid the companionship of those who are forgetting God!

Very different from the godless is the godly man. He takes "delight in the law of the Lord" and from it learns his will as he meditates upon it day and night. The person who meditates upon God's law is bound to grow. The Psalmist likens the godly man to a tree that has been planted by the rivers of waters and brings forth fruit.

The Psalmist says that the godly man will prosper. Is that really so? Does prosperity follow piety? Generally speaking it is true that godliness tends to prosperity for it fosters virtues that lead to success. What is more important however is that everything that happens to a godly man must contribute to his ultimate salvation.

II. There is a big difference between the godly and the ungodly. The Psalmist points out the contrast between the firmly-rooted tree and the chaff which is swept away by a light breeze and likens it to the difference between the godly and the godless. Today we think little about a judgment day. The Bible mentions it frequently. The ungodly "shall not stand in the judgment"—God will not acquit him. The present judgments all point to the final judgment when there will be a separation between the righteous and the wicked.

The Lord knows the ways of both the righteous and the wicked but the Psalmist stresses the truth that the Lord lovingly cares for and approves of the righteous. In contrast to that the Psalmist says that the way of the wicked shall perish. The life of the godly man gets him nowhere—it ends in tragic aimlessness.

III. We all need to be transformed. Romans 12 in a great chapter. The first two verses which form a part of our lesson are especially valuable. Paul reminds Christians that they are the recipients of God's mercies since he saved them from the power of sin. They in return should present their bodies—themselves—as a living sacrifice to him and to his service.

The service of God is a reasonable service. We are living in a time when conformity is popular. Christians are urged not to be conformed to this world but to be transformed by the renewing of the mind. Phillips in his translation says, "Don't let the world around you squeeze you into its own mould, but let God re-mould your minds from within." The consecrated Christian responds to God because of all his mercies shown in Jesus Christ.

Guests were served from a table delightfully colored with fall flowers and appropriate napkins. Each group found their Circle of fellowship by sitting near a poster displaying "gloves" similar to those they were wearing as identification tags.

Organization secretaries of local churches served as hostesses for the various Fellowship groups. Presiding at the afternoon and evening sessions were Mrs. Jacob Westerhoff and Mrs. Eugene Oosterhaven, president and vice president of the Union.

Books were on display and for purchase at a table arranged by Nelson Slot of the Reformed Church Bookstore in Grand Rapids. The day's offering was \$322.97.

KALAMAZOO (Special)—Scoring two touchdowns in the final quarter, Hope College's football team overcame a one-point third period deficit and stopped Kalamazoo College, 26-14 here Saturday afternoon in Angel Field before 1,000 fans.

The win was Hope's second in three MIAA starts and left the Flying Dutchmen in third place. Hope is 3-3 overall, identical to Kalamazoo, who is now 2-2 in the MIAA.

Ken Visser, flashy Hudsonville freshman, had his best day of the season and scored the fourth period touchdowns that wiped out the 14-13 Kalamazoo third period lead. He gained 168 yards in 18 tries for a 9.3 average.

Visser scored Hope's go-ahead touchdown with 11:27 remaining in the game. He ran two yards around end to climax a 16-play 61-yard drive which started with the return to the Hope 29 of Kalamazoo's kickoff after the second Hornet tally.

Highlighting the drive was a 29-yard pass play from quarterback Paul Mack to Visser, who jumped high to snag the ball on the Kalamazoo 22 and then raced to the 14.

The touchdown came six plays later and Mack's extra point kick was no good to give Hope a 19-14 lead. The Hornets then took the kickoff to the Hornet 44 and in 10 plays drove to the Hope 10, where two incomplete passes, one knocked down in the end zone by Jim Bultman and an offside penalty stopped Kalamazoo. The drive actually ended on the 20 where Rich Bakker and Dave Delisle dropped quarterback Jim Smith on fourth down.

Hope then drove to the Kalamazoo 20 with 2:20 left in the game but lost the ball on downs. Visser's 32-yard smash off tackle, aided by a key block thrown by Dave Den Ouden, featured the drive.

But Hope got another chance. On Kalamazoo's second play Smith's pass was intercepted by Rog Van Noord, another Hudsonville freshman, on the Hornet 20. John Vandenburg ripped to the 12 and Visser swept the end with 38 seconds left. Mack made the conversion.

The Dutch opened the scoring the first time they gained possession of the ball. Hope took a punt to the Kalamazoo 48 and in 10 line plays were home with Sherwood Vander Woude driving for the five yards. Mack converted with 7:06 left in the first quarter.

Midway in the second quarter with Hope on its own 14, Mack received a bad pass from center and punted off the side of his in an MIAA game. Adrian is 1-3

foot. The ball was downed on the Dutch 13. Ed Lauerman dived two yards over the center three plays later for the touchdown with 8:33 left and Bill Liggett converted to tie the score at half, 7-7.

Hope took the lead early in the third quarter, 13-7. After taking a punt on the Hope 42, the Dutch scored in nine plays with Mack sneaking the last two yards. Visser's 30-yard around end, helped by a fine block by Jim Van Dam, the key play. Mack's kick was blocked by John Labahn.

Don LaDuc, 5'6", 135-pound freshman, grabbed Neil Goodrich's kickoff on the Hornet five and returned to the Hornet 46 where he was dumped by Visser, the last man between LaDuc and paydirt.

The Hornets scored seven plays later on a 22-yard aerial from Smith to Don Pell, who cut across, caught the ball on the one-yard line and stepped across. Liggett's kick was good with 4:41 left and Kalamazoo led 14-13 as the third quarter ended.

Visser's performance pushed his rushing total to 304 yards in 43 tries in three league games for better than seven yards a crack. Vander Woude picked up 39 yards in 12 tries while Vandenburg had 48 in 11 and Mack 14 in eight. Lynn Allen made two yards in a single carry and Jim Bultman lost a yard.

Carl Bekofse led the Hornets with 53 yards in 11 carries while Ray Comeau had 32 in 11 and Smith, 26 in nine. Lauerman made nine in five tries. Mack completed four of seven passes for 49 yards while Smith hit seven of 13 for 78 yards.

The Dutch gained 270 yards rushing while the Hope defense held the Hornets to 116 yards rushing. Coach Russ De Vette complimented the work of his young defenders.

Since Hope is riddled with injuries, De Vette started four freshmen and five sophomores on defense. Ken Quakkelaar, Van Noord, Rog Zegerius and Visser were the freshmen and Delisle, Bultman, Kurt Van Genderen, Jan Nienhuis and Den Ouden were the sophomores. Co-capt. Mike Blough, regular end, played defensive tackle because of a sprained ankle. Several regulars played only briefly and four players, Bob Bonnette, Jerry Nieuwma, Paul Hyink, Tom Bishop and Bob Polen, who usually play on defense didn't suit up.

Of the 28 players De Vette used, eight were freshmen and nine were sophomores.

Hope will host Adrian at 2 p.m.

recreation room, kitchen, dining room and library. Rooms will appear homelike. There will be beds and dressers and chairs, but there will be no knobs on the doors. They can only be opened from the outside. (photo, courtesy Grand Haven Tribune)

## Volleyballs

James Dyas, producer-director of Saugatuck's Red Barn Theatre for the last four seasons, is directing a new Broadway play, "After I'm Gone," starring David Wayne and Nancy Olson. It is scheduled to open in the Brooks Atkinson theater Nov. 28 after an out-of-town tryout.

David Wayne and Nancy Olson were starred in "The Golden Fleece" which Dyas directed for the Poinciana Playhouse at Palm Beach, Fla., last winter. It was Wayne who recommended Dyas as director for the new play. Dyas opened his 1960 season at Saugatuck last June with "The Golden Fleece."

Ed Prins, superintendent of buildings and grounds for public schools, handily remembered something about wasps when 500 invaded a third floor chemistry lab at the high school earlier this month. All students were dismissed and the doors were closed to decide how best to remove a swarm of stingers.

Ed remembered that this particular type of wasp is attracted to moisture, so he turned on the lawn sprinklers far, far below. The unwelcome wasps speedily vacated their new home, and the class resumed.

## 160 Attend Meet On Hope Campus

A total of 160 college and high school teachers of classical languages throughout Michigan attended the third annual meeting of the Michigan Classical Conference Saturday on Hope campus.

The teachers, along with many students, convened to hear the featured speaker, Prof. Paul L. MacKendrick of the University of Wisconsin and for several years director of the summer session of the school of Classical Studies, American Academy in Rome.

His illustrated lectures, "Hypocrite, Badman, Fool and Knave," showed the extravagances of the Julio-Claudian era in Rome in a lively, fascinating presentation of the archeological studies.

At the business meeting of the conference a scholarship plan was approved which will offer a scholarship each year to some Michigan high school senior, who intends to continue his study of Latin in college.

At the luncheon in the Juliana room of Durfee hall, Dr. William Vander Lugt, dean of Hope college, gave a brief welcoming address. Local teachers who assisted in arrangements for the conference include Miss Harriet Mulder, Mrs. Joan Brieve, Peter Roon and Mrs. Mildred Damsen.

Ed Wolters, professor of Latin and head of the classical language department at Hope, was in charge of the conference, assisted by student members of the Hope chapter of Eta Sigma Phi, the classics club.

The Michigan Classical Conference is an organization representing all those in Michigan interested in furthering classical studies.

## Check Reveals Pheasant, Not Hunter, Broke Window

A pheasant turned out to be the culprit in a window breaking report received by Holland police at about 9 a.m. Saturday. Police investigating a report that a window at the home of Dick Versendaal at 863 Jaw Paw Dr. had been shot out by hunters, found that a pheasant had flown through the window, scattering glass into the living room.

A couple of hunters in the area were questioned by police and said they hadn't fired a shot. The pheasant was found in the house and released. It apparently was not harmed.

## Furniture Manufacturers Relive Dutch Hospitality

A group of 44 Dutch furniture manufacturers got a real taste of Dutch hospitality away from home as guests at a dinner in Hotel Warm Friend Tuesday night given by the industrial committee of the Chamber of Commerce and city officials.

Cheers and laughter arose when a pair of engraved wooden shoes was presented to Johan Was, assistant secretary of the Netherlands Furniture Industry and director for the two-week tour of America which the Dutch manufacturers are making at their own expense.

A highlight of the evening was klompen dancing by a group of Holland High school girls under the direction of Mrs. Barbara Ambellars. And when the volume on the recorder failed to function properly, the visitors la-la-la'd the old Dutch folk songs in the proper tempo for the benefit of the local costumed group. It was perhaps the most enthusiastic group to cheer klompen dancing in a long time.

John F. Donnelly, chairman of the chamber industrial committee, welcomed the visitors and Frank Kleinhekel served as master of ceremonies. He sang "Around the World" for the visitors and later the visiting group reciprocated with a singing game.

Director Was presented a Dutch photo album to City Manager Herb Holt who accepted on behalf of Mayor Robert Visscher. A film on Holland and Tulip Time was shown, courtesy of W. A. Butler of the Sentinel.

Willard C. Wichers, midwest director of the Netherlands Information Service in this city, welcomed the guests and brought greetings from Netherlands Ambassador J. H. van Roijen in Washington, D.C., whom he had visited recently. He said Holland, Mich., is perhaps the "most sophisticated" place the group is visiting in America since this city is about the only place that does not get excited over the legend of the little boy holding his finger in the dike at Haarlem.

The Dutch delegation which included several wives visited the Herman Miller and Sligh-Lowry plants in Zeeland Tuesday and Baker Furniture, Inc., as well as the Baker and Netherlands museums in Holland. In leaving Holland today, the group went by way of Hope College to see the chapel where their Dutch queen received an honorary degree years ago.

They were to tour the American Seating Co. in Grand Rapids today, and then spend two days in Detroit. Stops are scheduled in Buffalo and Albany before flying home.

## Lubbers Family Now Has Two Presidents

PELLA, Iowa — Arend D. Lubbers took over as president of Central College at the age of 29 Friday, becoming one of the nation's youngest college presidents.

Lubbers became the 17th president of the college as his proud father, Dr. Irwin J. Lubbers, president of Hope College, Holland, Mich., looked on. The elder Lubbers was president of Central from 1934 to 1945.

Guests headed by Iowa Gov. Herschel C. Loveless, attended the installation ceremonies in Dows Church. They included 142 representatives of universities and colleges as well as delegates from the Reformed Church in America, which sponsors Central, liberal arts college founded in 1853. While assuming leadership of

the 500-student college, Lubbers could still be considered a college boy himself. A 1953 graduate of Hope College, he received his masters degree from Rutgers University in 1956 and now is a candidate for a doctorate degree there.

Lubbers succeeds Dr. G. T. Vander Lugt as president of Central. Vander Lugt now holds the James Suydam chair of systematic theology at New Brunswick, N.J., Seminary.

Lubbers, married and the father of three children, was an instructor in history at Wittenberg College at Springfield, Ohio, from 1956 to 1958. In 1958 he returned to Rutgers to work toward his doctor's degree. His thesis was on the history of the Reformed

Church from 1788 to 1851.

In September, 1959, he assumed the position of vice president for development of Central College. He began his term as president of the college in August of this year.

The elder Lubbers addressed a special convocation service prior to the installation ceremony at which honorary doctorate degrees were awarded to five outstanding alumni.

Receiving degrees were Dr. Paul F. Bruins, Brooklyn, N.Y.; Orville L. Dykstra, Los Altos, Calif.; the Rev. Gradus Vander Linden, Paramount, Calif.; Dean W. D. Wesselink, Storm Lake, Iowa; and Marion P. Wormhoudt, Pella, Iowa.

## Exchangites Hear Ford, Opponent

Members of the Holland Exchange Club heard Representative Jerry Ford and his opponent, William Reamon speak Monday. Both men did no personal campaigning but rather spoke on the records of the two political parties.

Rep. Ford said he believes Sen. Kennedy has made a grave error in campaigning on the Sabbath Day, that in so doing he has offended a large number of people. This is an example of poor judgment.

In the field of experience both Nixon and Kennedy have served 14 years in Washington but that Nixon has a record of that many years of conscientious work while Kennedy has missed 331 out of 1,189 roll calls, Ford said.

The U. S. pays out nine billion dollars on the national debt of 283 billion dollars. The record shows that the Democratic regime had only 3 out of 20 years showing a balanced budget while the Republican party has a total of 4 out of 8. The platform of the Democratic party would add 12 billion to the debt. This administration also has been able to keep the peace. Mr. Ford said that the U-2 program has given this nation our most valuable information.

Reamon claims that under the present administration the unemployment situation has not been and still is not a rose one. Bills giving aid to depressed areas and unemployment areas have been vetoed by the Republicans. Cuts in government spending should not be made in areas of need. He emphasized the failure to increase social security and aid in medical care for the aged. He said, "Dollars spent now in prevention of disease in the aged will cut down materially the amount spent for their care later on."

A question and answer period followed.

The speakers were introduced by the vice president of Exchange, Verne Schipper. Three new members were inducted into the club by Clarence Kleis. They were Ed Prins, L. Vande Bunte, and Norman Art.

Among the visitors was Roger Hewitt, past president of the Michigan Exchange and now a member of the National Board of Control of Exchange.
